ACTION TAKEN REPORT

The feedback collected and analyzed are send to the respective authorities for necessary actions. And following are the comprehensive measures taken on the basis of the feedback collected from various stakeholders:

Basis	Action Taken
Faculty Feedback	It is decided to bridge the gap between the existing syllabus and the latest updates in the respective fields by offering a variety of value added courses.
	It is decided to expand the library by including more books and avail digital platforms for intensive research and development.
Student Feedback	There is a need to maintain a balance between the theory and practical knowledge, so the respective authority has decided to send the second year students to an internship program for a period of 15 days.
	In view of the proposed four- year program, the Internal Quality Assurance Cell decided to form a Committee and entrusted the duty of conducting an extensive research on the New Education Policy and necessary papers to be offered according to the current requirements.
Parents Feedback	Effective technology integration via Christites portal to enhance the curriculum, which made the assessment and evaluation more transparent to parents, teachers and students.

Alumni Feedback	IQAC decided to conduct various training sessions to faculty members in view of proposed four year program and also faculty members are asked to upgrade their knowledge and skills to meet the requirements of NEP.
Employer Feedback	The Internal Quality Assurance Cell is instructed to all the Department Heads to focus on the practical startup programs rather than the theory sessions by considering “Andro the Robo” developed by BCA department.
	Decided to introduce an incubation center designed to support the students and alumni those who are interested in entrepreneurship to refine their business plans and launch the ventures.
